38 Gayview Drive, WODONGA, 3690

Dear Parents/Carers,

Unfortunately, we are now facing another lockdown. Victoria will enter its sixth lockdown from 8:00pm tonight in response to unexpected new mystery cases of COVID-19 in recent days.

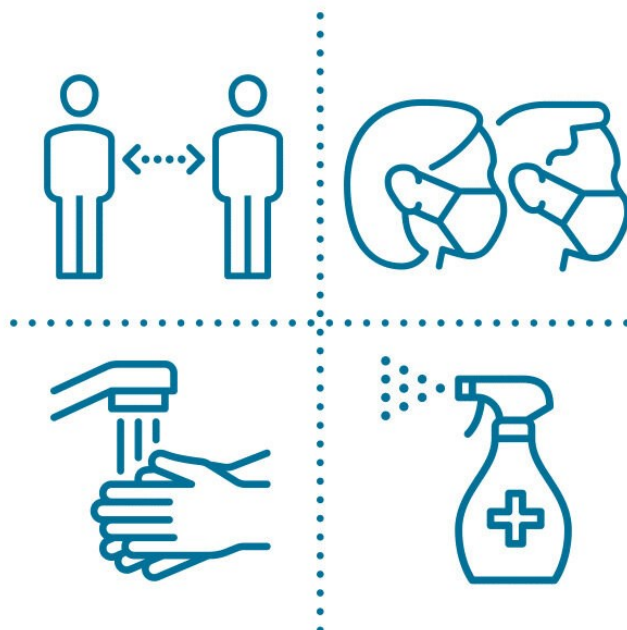

The lockdown will last for seven days and there will only be five reasons for leaving home: getting groceries and supplies, exercise, care or caregiving, authorised work or education that cannot be done from home and getting vaccinated.

Under the rules, shopping and exercise must be done within five kilometres of your home.

Accompanying this newsletter is the application for onsite learning. This application should be emailed back to Belvoir.wodonga.sds@education.vic.gov.au

Please stay safe and well.

UPDATE FROM FAWN & MANDY

Hello from Sale. Fawn has been in lockdown too, but she has been busy trying new things and learning to paint. Storm clouds have been the go. We hoped the sun would come out soon.

We finally got to go to the beach and play in the sand and water. It was so much fun.

Fawn hopes everyone is learning new things too. She is looking forward to getting out and safely making some new friends.

Hope you are learning new things too and making friends.

From Fawn and Mandy

This Term, we are learning all about the farm. As part of our weekly writing experience, students learnt about eggs, and explored where eggs come from and how we use them in our cooking. Students worked together to make scrambled eggs on toast.

Jane has been exploring some preferred environments during her writing time. She has loved going to the sensory garden and enjoys watching an adult use the writing wizard app

The students in Room 7 did a fantastic job with their remote learning experiences. Now, settling back into the classroom, we have been measuring and ordering objects by height, length and weight. We have focussed on our reading and spelling skills while trying not to get distracted by the Olympics on the TV. Go Australia!

Room 16 have been exploring the music, clothing, events, money, and food involved within the NAIDOC week celebrations.

Together we have been researching these topics online, creating sentences that we can share with the group, finding pictures relating to our sentences and making them into a book to help others understand about NAIDOC and its week of festivities.

We have been watching and responding to the Olympic events that have been happening in Tokyo. It has been amazing to see the celebration of abilities of people all around the world. AUSSIE AUSSIE AUSSIE OI OI OI
