ROOM 1 NEWS

Cas & Kim

Room 1 has had a fantastic term so far. We have had lots of fun experiences together as part of our regular program. We are getting really good at doing puzzles, writing our names and reading our morning message. Some of our favourite things to do are sensory based. We love making our letters with playdough, playing with slime, moons and rice. We love having fun together, and have been learning that making mistakes is ok and an important part of our learning.

From the Room 1 Team: Cas & Kim

ROOM 7 NEWS

Danielle & Jo

We have been having lots of fun while learning!

In literacy, we have been baking and cooking up a storm while learning all about the features of procedural texts and how to write our own procedural texts. We made yummy cupcakes, mini pizzas and pancakes. We also followed the instructions to make our own playdough. We even followed the instructions to do a mini experiment about germs which ties into our term topic of health.

In maths, we have been learning all about length, mass and capacity. We measured different objects around the classroom with informal units and also learnt how to use a ruler. Additionally, we used balance scales to learn about mass. This week we started learning all about capacity.

We look forward to the rest of the term!

ROOM 13 NEWS

Josh & Claire

This week in Room 13 we have been working hard after a much-deserved long weekend. The students have been very productive in writing and have learnt lots about writing procedures. The class wrote out a very detailed procedure on how to make a cup of tea with some debate over how many teaspoons of sugar to put in!

Max and Caitlin with the completed cup of tea made following the procedure we wrote.

Highlights of the week include playing tennis in PE with Todd and learning about place value in maths.

Sienna completing a maths question on the whiteboard.

Junklandia at Belvoir!

Last Thursday, Orange and Purple pods headed to the hall to watch their FIRST LIVE PERFORMANCE IN TWO YEARS! Junklandia, a Melbourne based company, used a combination of recycled materials, circus and comedy to send our students drumming, tapping, clapping and laughing their way on a crazy recycling adventure. The artists loved our school so much, they have asked to come back! Hooray for live performance!
