

Belvoir Special School Newsletter

38 Gayview Drive, WODONGA, 3690

Despite the chilly mornings, it has been great to see everyone settling back into the routine of school quickly. Over the last few weeks, it has been great to see classes getting back out into the community.

On Thursday Belvoir held a Super Hero Day! Students came dressed in their favourite superhero outfits to raise money for Bear Cottage Sydney. Belvoir student Kobi Doyle was this years face of Bear Cottage's Super Hero Week. Bear Cottage is the only children's hospice in NSW, providing respite and end-of-life care for children with terminal illnesses and their families in a medically supported 'home away from home'. Bear Cottage gives them as much love, care, laughter, fun, and support, as they need. It was wonderful to see all the students dressing up in their Super Hero costumes.

HEALTH & HYGIENE

To support the well-being and health all, Belvoir families are reminded that it is important that your child is kept at home if he/she has:

- a runny nose
- headaches
- a sore throat / cough
- a fever / temperature more than 37.5°C
- muscle aches and shortness of breath
- loss of sense of smell or taste

It is advised to conduct RAT if any of the symptoms are present, even with the slightest symptoms. If your child displays any of these symptoms as a result of an ongoing medical condition, please provide a letter from your doctor so we can take this into account.

DATES TO REMEMBER

22 August, Pupil Free Day

Dyson's Bus Numbers:

BUS 1: 0408691885

BUS 2: 0417041196

BUS 3: 0407563474

BUS 4: 0408698635

Belvoir Bus: 0431756813

Belvoir's Speech Pathologists would like to gauge the interest of the parents and carers of our students, around the delivery of a communication information session. There are varying communication needs for the students enrolled at Belvoir. We'd like to provide you, their families, with information and strategies to further support their communication development.

ROOM 4 NEWS

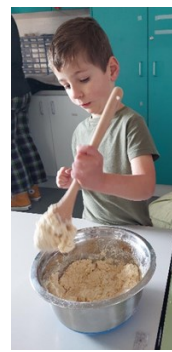

Mel & Clare

Welcome back to Term 3! We have had a busy start to the term with lots of learning and special activities happening in Room 4 and the Yellow Pod so far!

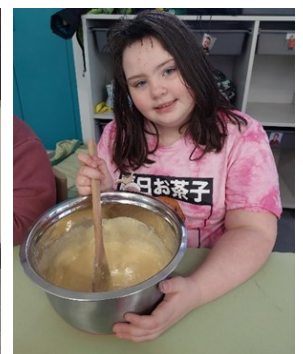

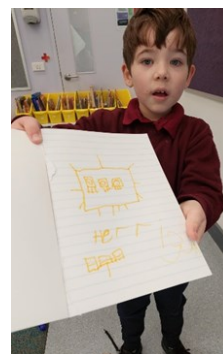

During Week 1, Room 4 participated in NAIDOC Week Activities, including reading the story of the Rainbow Serpent. The children were then asked to think about their favourite part of the story and either write, or draw a picture, to communicate their ideas.

We made damper for our weekly cooking activity after watching a video about how to cook bush damper on a camp fire. We ate our damper with butter and jam.

We are learning about Australia, and have been reading the story "Possum Magic." We have explored places in Australia, different Australian foods, Australian animals, invisibility and other super powers, and the different feelings Grandma Poss and Hush might have had throughout the story, such as sad, worried, scared, excited, and happy.

We have also made some Australian foods in our weekly cooking activities, inspired by the book "Possum Magic," including cheese and vegemite scrolls and lamingtons.

ROOM 4 NEWS

Yellow Pod have decided to hold a weekly assembly for our rooms to get together to sing the National Anthem, hand out weekly awards and sing our Belvoir song. It has been so wonderful to get together with all of our Yellow Pod peers and teachers, and the children are really looking forward to this weekly event. Well done to our Week 2 winners, Noah and Harrison, and our Week 3 winners, Cooper and Joshua. Who will be our next Room 4 Superstars?!

We had such a fun day on Thursday dressing up as our favourite super heroes for Super Hero Day! We made some masks and donned our capes and costumes to help raise money for Bear Cottage.

We will be learning more about Australia throughout the term, and exploring position, location and shapes. We can't wait to share our Room 4 news with you again soon!

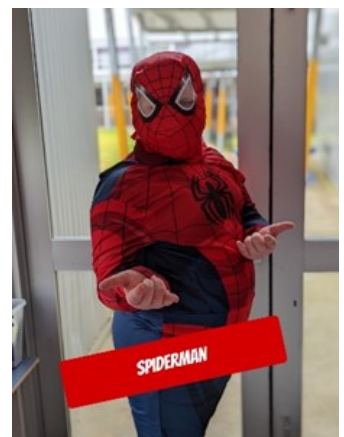

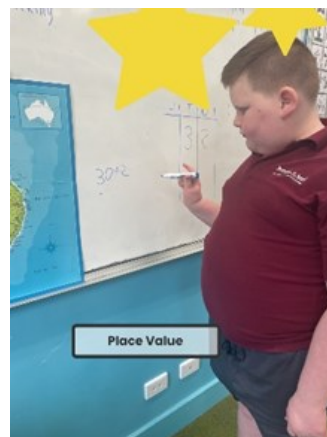

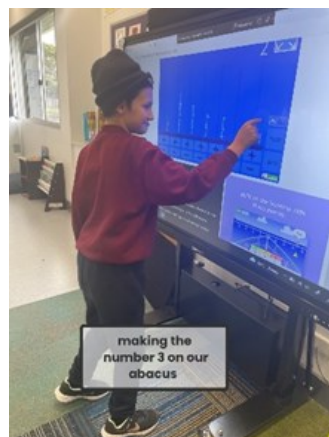

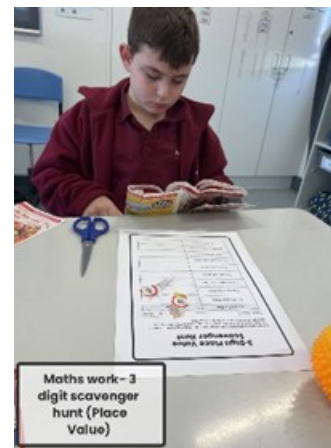

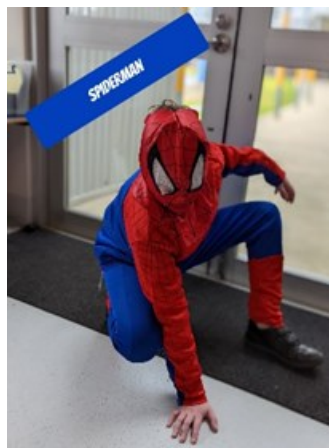

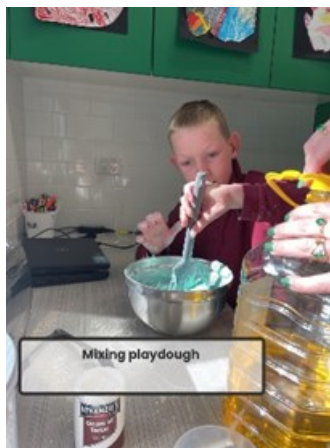

ROOM 10 NEWS

Katey, Courtney & Bec

We have had a busy start to Term 3 in Room 10. In literacy we have been reading a variety of Australian themed texts - Welcome to Country, Where the Forest meets the Sea and Ernie dances to the Didgeridoo. We have enjoyed looking at all the different Natural icons and locations of Australia and placed them on our map, these include - Uluru, The Great Barrier Reef, 12 Apostles and more. In Maths we have been working on Place Value and participating in a variety of learning tasks.

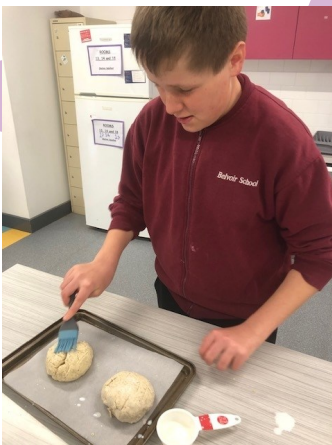

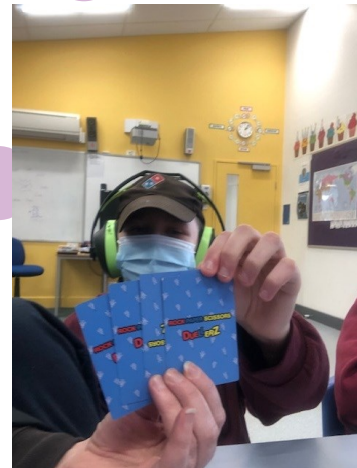

ROOM 16 NEWS

Anthea, Christin & Matt

We've had a busy start to Term 3. We have gotten straight back into our learning in every subject area. In Maths we have been learning about numbers and place value, adding two digit numbers and learning to write numbers. In Food Technology we are exploring Australia and the rest of the world by making items from all over the world. So far this has included making Wattle Seed Damper, Lentil Dahl (curry) and this week Gulab Jamen (Indian doughnuts).

During community access outings we have visited Yackandandah to see some historic sites including the old miners hut and the courthouse and visited the Albury Library museum to explore The Living Room Exhibition and the Questacon Science expo.

Lastly, this week we have also dressed up for Super Hero Day to support Kobi.

ATTENTION, ATTENTION: STEP RIGHT UP THE SHOW IS HERE.
