

# Belvoir Special School Newsletter

38 Gayview Drive, WODONGA, 3690

This week our students have been busy putting their final pieces together for the end of year concert. For families who have been a part of this performance over the years you will recall how spectacular these nights are. We are finally able to celebrate this event together. We encourage you to come along to the Wodonga leisure centre as a family to watch our final product.

Next Tuesday the 6<sup>th</sup> December, Belvoir students will be experiencing their second transition session with their 2022 class for the morning. As you can appreciate a lot of planning and thought goes into classroom planning and student placements. Students will meet in their 2022 classes before moving into their 2023 class groupings. Further information around 2022 placings will go home to families later in the year once the classes are finalised.

Pennie Moffat,  
Principal

# ROOM 5/6 NEWS

Michelle, Mel, Nicole, Kitty & Marnie

What a great term we have had in Room 5/6! It has been amazing to watch the students build relationships with new teachers and classmates and show their ability to adapt to changes so well.

We have all been concentrating really hard during our Tub Time activities, working to complete set literacy, numeracy, fine motor skills and reading tasks, and taking great pride in sharing our achievements.

We have enjoyed cooking activities such as making pancakes and banana muffins, while learning about volume and measurement through measuring out ingredients and building our ability to follow the steps of a recipe.

Last Thursday, Yellow and Green Pod students participated in a Colour Run, and we all had so much fun getting wet and covered in so many different colours!

On Tuesday, we had our first transition day into our new classrooms for 2023, and we got to meet our teachers and classmates. Everyone was very excited and we are looking forward to our transition visit next week.

We have been practising our End of Year Concert songs and we look forward to sharing our performances next Wednesday at the school concert with everyone.

We hope that you all enjoy a much deserved break over the coming holidays and we will see you next year!

# ROOM 8 NEWS

Lisa, Jo, Lynsey & Sam

We are almost at the end of Term 4 and what a super busy term we have had!

During literacy we have focused on Myths and Legends and enjoyed reading about Robin Hood, as well as learning about narratives. Students have enjoyed creating their own stories with various characters and making PowerPoints about Robin Hood.

During math we have been learning about money and adding small collections of coins and notes. We have also been looking at location where students have enjoyed reading simple maps, moving the position of various objects and pointing out coordinates.

This term we visited the Wodonga Library and went to Arnolds where our class purchased ingredients to make hamburgers. We also held our Junior School Colour Run last week which was lots of fun, very COLOURFUL and a very big success!!

This week Green Pod were very excited to attend the Albury Cinemas to watch the movie 'Lyle Lyle Crocodile' as our chosen experience for winning the school Wellbeing Challenge. All students who attended did such a great job and really enjoyed the movie.

Students have been busy rehearsing for our Green Pod End of year concert item and learning the school song. It has been great to see the progress over the past few weeks. We are looking forward to performing at our End of Year Concert next week!

# ROOM 14 NEWS

Elissa & Sheree

*What a busy term it has been! In Room 14 we have been working hard with the rest of Purple Pod to prepare for our End of Year Concert items. We will be doing some skits and a dance mash up. We decided to do some skits because we have been learning about Comedy this term.*

*A few weeks ago, we went to a Hip-Hop performance in the hall called express yourself. We felt a little bit shy about having a go ourselves, but had lots of fun being part of the audience!*

# HOLIDAY PROGRAM

**MONTH:**  
**DEC 22 - JAN 23**

## WEDNESDAY 21st DEC
