

Belvoir Special School Newsletter

38 Gayview Drive, WODONGA, 3690

It was wonderful to see so many people within the Belvoir community attend the school concert on Wednesday night. It has been so long since we have been able to celebrate as a community the achievements and abilities of our students. The night was a great opportunity to see our students shine and celebrate our student's success for 2022.

Thank you for all the parents and carers for bringing students along to the concert and helping us celebrate their achievements. I would like to acknowledge and thank Viv and Andrea for coordinating the End of Year Raffle and Jess and Jane for all their work in coordination of the concert. There has been a lot of work behind the scenes to ensure such a successful event. I would like to thank the staff and students for all their hard work over 2022. The performances were all amazing and they highlighted how much our students have grown and learnt over 2022. The end of year concert is a wonderful event and highlights that "Together, we can" achieve amazing things".

A reminder to all families that the last day of school for Belvoir students is

Friday 16th December at 3.00pm.

End Of Year Concert

ROOM 1 NEWS

Cas & Kim

What a busy time we have had – Melbourne Cup Day, Concert practice, new games in the playground, cooking, singing and dancing, Yoga, Christmas craft and some learning as well!

Merry Christmas and Happy Holidays to all from the Room 1 team!

ROOM 9 NEWS

Erica, Kylie & Katrina

What a fantastic year it has been in Room 9! All students have worked so hard and have formed some wonderful friendships with their peers within the classroom and across the pod. Since our last update students have continued to write and publish their own narratives in literacy, explored the topics of money and location and transformation in math, and continued expanding their knowledge of myths and legends during our term topic. Highlights from this term include, going to the Albury Cinema to see 'Lyle, Lyle Crocodile', going on an outing to Arnolds Fruit Market to buy ingredients to cook fried rice, and participating in the Green Pod colour run.

Over the past few weeks Green Pod students have been rehearsing for the End of Year Concert. Wednesday night students performed their Commonwealth Games themed item. All students did such an amazing job and had a wonderful time.

We hope everyone has a wonderful break and we look forward to seeing you all back in 2023!

WMY NEWS

Nicole & Kelly

This term has sure gone quickly. R3 has been very busy finishing off work and getting ready for the holidays. We have sent our Year 9's off to Wodonga Senior Secondary College and we've met our new Year 7's for next year during the week of Headstart. We have all thoroughly enjoyed getting to know our new classmates. During Headstart we have adjusted to our new 5 periods a day timetable, although only 30 minutes for lunch will take a little time to get used to.

During Headstart we have begun to make friends and get to know the new class. We have had fun meeting Coach Kelly – our PE teacher and met most of the leadership team too. We have explored the school, completing a QR Code Scavenger Hunt, where we teamed up with new students to show them around. We even popped into the canteen to meet the staff and received a Zooper Dooper as a reward from them at the end of the scavenger hunt. In the class we have played bonding games, discussed the positivity in gift giving and created cards, plastic key rings and decorated small calico bags that we can gift to people who have helped us this year.

We got to bake Stained Glass Cookies as a treat. We talked about symmetry and design structure when we made Christmas Houses out of nice biscuits and decorated them with lollies and icing. Some fell over but after a bit of discussion, we reassembled them with a change to their structure and they stood up nicely. They tasted great too. We even made sherbet in Maths and learned how many teaspoons are in a tablespoon and what their measurement abbreviations are. Headstart has certainly been a fun week and on Friday we are off to the Albury Swimming Pool for our swimming carnival. Have a great Christmas everyone – we can't wait to start 2023 with our new classmates!
