38 Gayview Drive, WODONGA, 3690

## Dear Parents/Carers/Friends,

On behalf of all Orange pod students, I would like to extend my heartfelt gratitude for everyone that attended the Belvoir Biggest Morning Tea. Your presence helped make the event a huge success. It was fantastic to see so many staff, families and members of the community come together to support this important cause.

Students followed safe food hygiene procedures, worked in small teams, followed a series of plating processes, greeted guests, took drink orders, delivered food and drinks to the tables and then cleared and cleaned up afterwards. Opportunities like these allow our greater community to see how capable our students are and to showcase their talents.

I would also like to take this opportunity to express my sincere appreciation to Coles for donating the \$50 voucher for the raffle winner. Your generosity helped make the event even more special and greatly contributed to our fundraising efforts. Congratulations to Leah who was the lucky winner!

Thanks to your participation and support, we raised just over \$600, which will go towards supporting cancer research and helping those affected by cancer.

Once again, thank you for your support and for being a part of this wonderful event. We couldn't have done it without you and we hope to see you at our future events.

# ROOM R3 NEWS

Nicole and Kelly

What a big term it has already been! Over here at Felldtimber, Wodonga Middle Years College in R3, it has been super busy. We are learning about Healthy Bodies and Healthy Minds, which has seen us visit the Wodonga Lawn Bowls, Sumsion Gardens, White Box Rise Park and Wonga Wetlands with C1 from Huon. We have enjoyed getting to know the C1 class, who are linked to us and our learning. We have been building friendships and learning how to relax safely, make positive choices and learn how to restore relationships and get back into a positive mindset so we can be healthy and happy. We have been busy making healthy food choices whilst learning basic cooking skills in our Food Tech classes. So far we've made pancakes, BLT sandwiches, Banana Muffins, and muffin pizza's. Our skills are getting better and better each time we are in the kitchen. We were lucky enough to be a part of the Dry Ice experiments that were happening in the Yr. 9 Science classes this term too. Lucy Widdup taught us about how dry ice changes behaviour depending on how it is being used. We made small and giant bubbles with detergent, added food colour, and saw it 'pop' it's lid when we put dry ice inside a bucket with warm water and placed the lid on (this was probably one of the most fun experiments). We enjoyed helping in the experiments and wearing the full safety equipment of lab coat and goggles. We felt like real scientists.

Some of us have been lucky enough to begin our electives. The Year 8's have been attending Art, when you can see CJ getting ready to do a lino print. We have also been having fun in Thursday Afternoon Activities where the Year 7 & 8 have been having a go at a variety of different activities like down ball, chess and basketball, so we know what they are like before we choose 1 to do next term, for the whole term. The Year 9 students have been already locked into an activity for the whole term. Some are doing mountain biking, others are doing e-sports or boardgames.

But the most exciting thing that we have done so far is to go on camp. Most of us went to Harrietville on the Mountain View camp. We had a go at mountain biking, archery, low ropes, hut building, bushwalking, swimming in Bright and exploring around Bright, the flying fox, and volleyball. We had so much fun! We learned a new game called Ga Ga Ball (like dodgeball but crazier and all played in a large octagon enclosed space). This game was a crowd pleaser – super fast and lots of laughter. We ate so much because the food was amazing and we all made some new friends. For those that didn't go to camp, they went to Huon where they had day activities to do. Some of our students went golfing and 10 pin bowling and they also did cooking and art. You can see Ella with her artwork below in the photos.

# ROOM 3 NEWS

Mel, Chloe and Jordan

What a busy term we have had in Room 3!

Well done to all our Room 3 students who participated in the swimming and athletics carnivals. It was fantastic to see our students following instructions travelling to and from the venues on the bus, and everyone had a lot of fun getting involved in the events on the day.

We have been practising our writing skills such as pencil grip and control to trace over and start to write some letter symbols. We have also been thinking of a written morning message and then writing some of the words and our name. Students have been very engaged during this time and we are so proud of all their efforts!

In literacy, we have been reading texts such as the Winky Wonky Donkey, The Very Hungry Caterpillar and Tidda lick the Frog. We have talked about our favourite parts of the story and recalling what happened first, then and next.

In numeracy, we have been exploring schedules and the things that we do every day. We have also been learning about time in relation to calendars and learning about days of the week and months of the year.

We have been enjoying our movement breaks visiting the sensory garden to explore the gadgets, sandpit, and the various plants. Playdough and bubbles also continue to be a favourite choice time activity.

Room 3 have really enjoyed the Learn to Play space, and over the past few weeks, we have explored a birthday party and puppet show, which were both lots of fun!

We are all looking forward to the end of Term 1 and especially our hat parade with the Yellow Pod!

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

## CSEF ELIGIBILITY

<https://www2.education.vic.gov.au/pal/camps-sports-and-excursions-fund/policy>

### Criteria 2 - Be of school age and attend school in Victoria

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

## PAYMENT AMOUNTS

### CSEF payment amount

The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.
