ROOM 13 NEWS

Josh, Prajna, Lynsey, Chris

Room 13 has had a busy start to Term 3. We have started to learn about the features and structures of narratives in literacy. The class has also been investigating the difference between fiction and non-fiction texts and reading a variety of both genres. In maths we have been learning about 2D and 3D shapes. We created our own shape maze in the courtyard and have been finding shapes around the school.

We have also enjoyed our class outings to Billson's and the Wodonga Library. At Billson's the students were taken on a tour of the cordial factory and were able to create their own flavour creations through mixing a variety of flavours.

We have jumped into all new topics in math, literacy, and term topic. We also have transitioned from cooking to life skills and even begun swimming lessons! In Week 2 we celebrated 100 Days of School with a popcorn and movie day, putting on fake moustaches to dress up as 100-year-olds!

We have been growing a class garden of peas, spinach, mint, and snapdragons, and learning about all the different animals on farms as well as what they provide for us and how we use these. We've been counting Olympic medals and cheering on Australia as we explore data and statistics in math. Our SSG meetings have all occurred and it's time to start working on smashing out our next lot of goals- Thank you again to families for your participation and valuable insight. Lets see what we can achieve together this semester!

Room 11 News

Chloe, Laura C, Shirl, Robyn

The students in Room 11 have been loving the messy sensory play within the classroom. The term topic is "Our River the Murray". As we have been reading the weekly books, we have been doing different sensory activities to go with that. Luke was mapping a track from one item to another like the person did in the dreamtime story "How the Murray River was made". Sophie and Rory were foraging for items in the oatmeal and shaving foam like in the dreamtime story. Harrison had so much fun using a range of dry ingredients including flour and salt to draw tracks of animals. The students have been loving learning about the Murray River and how it was created. In performing arts, we have been doing role playing a shop and dressing up as different characters.

Dear Parent/Caregiver,

Your child has been offered an opportunity to attend this year's Children's Christmas Party

The party is only for children with disabilities and complex needs, where they can enjoy just being a 'kid' again, there will be lots of rides, face painting, activities, a 3 hour stage show, yummy food and of course, Santa and 3 presents, all provided completely **FREE!**

This year's party is being held at:

**The Wodonga Sport & Leisure Centre
Saturday 16th November 2024
10am – 1pm**

If you are interested in your child attending this year's Party, please send this form back to your school or organisation that informed you about the Party. Your school or organisation will then get in touch with the organisers of the Christmas Party to register your interest and perhaps you might be lucky to receive an invitation!

To see what happens at a Party, please have a look at some of the videos on our website: sccpau.com.au and if you have any further questions about the event, you may visit: sccpau.com.au/faqparents.

Remember, this is only a request for an invitation, not a guarantee that you will receive one. You will be advised by your school or organisation at the end of September if you are successful in obtaining an invite. Each year, we have over 2,000 requests for children to attend and it's not possible to accommodate that many children.

This form needs to be back to your school or organisation before 13th September 2024.
