Dear Parents/Carers/Friends,

It is hard to believe that the end of Term 1 is here! It was wonderful to finish our final week of term with our Autumn Hat Parade. It was fantastic to see our whole school turn out in the Agora, along with many parents and carers to admire the amazing hats our students had created and acknowledge their hard work.

Individual Learning Plans

ILP's have been sent home with students this week. Parents and carers are asked to read through these documents and if there is a problem or anything that needs to be changed to please let us know as soon as possible.

Student ILP's are legal documents which need to be produced at least twice a year and are used to track student performance and learning towards set goals. Whilst there are no support group meetings set for next term parents are able to request a meeting with their child's teacher to discuss any issues that may have arisen since the last SSG meeting in term 1.

Term 1 Holidays

It has certainly been a very busy term, and we certainly hope that all families remain safe and healthy over the break.

Term 2 starts for students on Wednesday the 23rd of April. Staff will return on Tuesday the 22nd of April for a professional development day. Staff will be focusing on Interoception and Positive Behaviour Support on this day. Friday of Week one Term 2 is ANZAC day.

ROOM 6

Who can believe our Foundation students have completed their first term of school. It has been amazing watching them grow with confidence throughout the term. In room 6 we have been focusing on school routines and classroom expectations. In literacy we have been practicing our alphabet through Jack Hartmann Auslan 'see it, say it sign it' and working on our core handwriting skills. We have been listening to a variety of stories and using sensory tools to explore our imaginative play. In numeracy we have been working on number recognition and patterns. Room 6 wishes everyone a safe and happy holidays.

ROOM 6

ROOM 9

It's hard to believe the end of term is here! The students in Room 9 have continued to work hard in their lessons. Recently we have been incorporating the senses into our learning by using putty during our phonics lessons. The students have been treasure-hunting for letters in the putty, then using them to build words. They've also been shaping the putty into letters to spell a word and then following up by writing the word.

In maths we have been learning to identify, make and extend patterns. The students have been making patterns with blocks, coloured counters, numbers and with music as well. Here's Landyn creating an AB pattern with counters and then playing his pattern on the Tambu drum, and Jack making a fruit kebab pattern.

There's been much excitement about Easter, and we have been busy making Easter baskets, painting plaster Easter eggs, and linking in Easter to some of our maths and literacy activities - including reading "Aussie Easter Hat Parade" and "We're Going On An Egg Hunt".

ORANGE POD EXCURSION

Orange Pod went to visit a working farm, Mountain Milk, in Gundowring on Wednesday. The outing was part of the Work-Related Skills that the students partake in as part of their learning. It was to see how a working farm operates and the equipment that is used. The students were given a tour of the farm to see how it operates.

School Holiday Program

**Are you a carer or parent
of a child or adult with disability?**

Looking for care in the Victorian school holidays?

Contact us to find out more about our onsite and offsite facilitated group programs. Children and young people are able to access the program from 7 AM to 7 PM.

Transport can be arranged to support the child or young person in attending the sessions.

Through discussions and planning with the child or young person, their parent/carer, and the plan coordinator (if not self-managed), UMFC staff will provide an individualised plan to support the child or young person in engaging in a supported group setting, participating in activities onsite and offsite tailored to the group or individual needs.

Examples of activities include participating in sports and recreational activities at Willow Park or engaging in group and individual activities onsite.
